Gift Aid Declaration

I would like Maher Foundation to treat all donations I have made since 28th July 2008, and all donations I make from the date of this declaration until I notify the charity otherwise, as Gift Aid donations. I am a UK tax payer (please refer to the notes for further information).

Notes:

If you are a UK tax payer, we can receive an additional 28% (reducing to 25% w.e.f.6/4/08) from the Inland Revenue at no additional cost to you, through Gift Aid. If you would like to do this, please fill in the form above.

1. You must pay an amount of income tax and / or capital gains tax at least equal to the tax that Maher Foundation will reclaim on your donation in the tax year which it is given.
2. If your circumstances change and you no longer pay income tax or capital gains tax, or you wish us to stop treating your donations as Gift Aid for any other reason, you can cancel this document at any time by notifying us at our address.
3. If you change your address while Gift Aid declaration is still in force, please notify us of the change.
4. If you pay tax at the higher rate you can claim further tax relief in your self assessment tax form.

In order to keep track of address changes and keep you updated with news about the project you support, we keep your details on a computer database. This information is confidential and is not passed on to any agencies outside. However, if you would prefer not to be included on this database please tick here.
